Table of Contents

1.	Introduction	2
2.	Test Cases	2
3.	Typical Sezzle Checkout	8

1. Introduction

Sezzle has a sandbox that can be used for testing. In Business Manager, navigate to the RefArch Site -> Site Preferences->Custom Preferences. A custom site preference group with the ID **SEZZLE_PAYMENT** is available. Please select it and locate **Mode**. Select **Sandbox** as the mode for testing and add the credentials for the sandbox account – **Public Key** and **Private Key**.

Once the cartridge is configured, you can proceed with the test using the below cases.

2. Test Cases

1. Sezzle Payment Action = AUTHORIZATION+CAPTURE Tokenize Customer? = No

A typical Sezzle Checkout flow will work in the below manner.

3. Typical Sezzle Checkout

Step 1

Add products into the cart and proceed with the checkout process. Once on the billing page, select the payment option named Sezzle and click on the **Continue to Place Order** button.

The screenshot displays the Sezzle checkout interface. On the left, the 'Shipping' section shows the address: Arijit De, 3432 Terry Lane, 12, Katy TX 77449, with a phone number +1 12345678. The shipping method is 'Ground (7-10 Business Days)' for \$5.99. Below this is the 'Payment' section with a 'Billing Address' dropdown showing the same address, and links for 'Update Address' and 'Add New'. A 'CREDIT' button and the Sezzle logo are also present. A message states: 'You will be redirected to Sezzle to complete your purchase securely. [Learn more](#)'. At the bottom is a blue button labeled 'Next: Place Order'. On the right, the 'Order Summary' shows: Subtotal \$49.00, Shipping \$5.99, Sales Tax \$2.75, and a Total of \$57.74. Below this, '1 Items' are listed for \$49.00, specifically a 'Sleeveless Pleated Top' in 'New Coral' color, size 'M', which is 'In Stock'. A table shows 'Each' at \$49.00, 'Quantity' of 1, and 'Total' of \$49.00. The footer contains links for 'Locate Store', 'Account', 'Customer Service', and 'About'.

Each	Quantity	Total
\$49.00	1	\$49.00

Step 2

Proceed to place the order.

0% Interest

Enjoy Sezzle's interest-free installment plans! As long as you have the pre-agreed installment amount in your account, you'll only pay the purchase price.

One less thing to worry about

Your Sezzle installment payments will automatically be charged on the credit or debit card on the dates specified by your payment plan.

Manage your payments

Log in to your dashboard or download our app to see your upcoming payments or even reschedule one! The first payment reschedule is always FREE.

 You are logged in as Rishi Mukherjee. [Not You?](#)

I agree to repay Sezzle, and I grant Sezzle full authorization to debit my Test Bank Checking Account ending in 1234 on or after the payment due dates for full repayment of my purchase. I agree to the [Sezzle terms](#) and understand that the payment schedule may shift into the future depending on the merchant's fulfillment timeline.

Note the order number so that you can check it in the Business Manager in the next section.

Verifying the order

Access the order list in the **Business Manager: Merchant Tools > Ordering > Orders**

A new order should be available, with an order number corresponding to the one you have placed.
Click on it to view the order details.

On the **Attributes** tab of the order details, you should find information related to the Sezzle payment

method.

The screenshot shows the Salesforce interface for configuring a payment method. The top navigation bar includes 'Salesforce', 'Sandbox - sezzle01', 'RefArch', and tabs for 'Merchant Tools', 'Administration', 'Storefront', and 'Toolkit'. The main content area is titled 'Afterpay' and contains a section for 'Sezzle'. The 'Sezzle' section lists several fields with their values:

- Sezzle External Id: b46a6432-4c38-4d9a-89bb-7c954f406idf
- Sezzle Payment Action: CAPTURE (AUTHORIZATION + CAPTURE)
- Sezzle Customer UUID: c86f4086-2c32-45b4-9e7a-e52ed2e8714f
- Sezzle Customer UUID Expiration: 2021-06-16T11:34:36Z
- Sezzle Auth Expiration: No data is available
- Sezzle Order UUID: 70f8b7cd-2669-486c-a276-fce9450e8d1c
- Sezzle Order Amount: USD 57.74
- Sezzle Captured Amount: USD 57.74
- Sezzle Refunded Amount: No data is available
- Sezzle Released Amount: No data is available

At the bottom of the 'Sezzle' section, there are 'Apply' and 'Reset' buttons. Below the 'Sezzle' section, there is a '<< Back to List' button.

The **Payment Method** in **Payment** tab should contain the following information:

The screenshot shows the Salesforce interface for viewing payment information for a specific order. The top navigation bar is the same as the previous screenshot. The main content area is titled 'Payment Information for Order '00026702''. Below the title, there is a table with payment details:

Order Total:	\$57.74
Amount Paid:	\$0.00
Balance Due:	\$57.74
Invoice Number:	00121002
Payment Status:	Paid
Payment Method:	Sezzle Processor: SEZZLE_PAYMENT Transaction: 3db1ab56-9e03-4067-989c-ffda5ad51f66 Amount: \$57.74
Billing Address:	A De CB 28 HY CA 90002 US

At the bottom right of the table, there is a 'Print Invoice' button. Below the table, there is a '<< Back to List' button.

Verifying the Customer Tokenize Record

If **Tokenize Customer** was set to **Yes** in **Business Manager: Site Preferences > Custom Preferences > Sezzle**, then, once the customer completes the order at Sezzle, his/her account will be tokenized by Sezzle and the tokenize data are stored in the Customer Profile as attributes.

Access the order list in the **Business Manager: Customers > Customers**

Go to the corresponding customer and navigate to the Sezzle section. You will see something similar like below.

The screenshot displays the Salesforce Business Manager interface for a customer profile. The top navigation bar includes the Salesforce logo, a dropdown menu for 'Sandbox - sezzle01 RefArch', and tabs for 'Merchant Tools', 'Administration', 'Storefront', and 'Toolkit'. The user's name '(Arijit De)' is visible in the top right corner. The main content area is divided into sections: 'Business Phone', 'Mobile Phone', and 'Fax Number' (each with an input field). Below these is the 'Checkout.com' section with a 'Checkout.com Customer ID' input field. The 'Sezzle' section contains a 'Sezzle Customer UUID' input field with the value 'c86f4086-2c32-45b4-9e7a-e52ed2e8714f', a 'Sezzle Customer Tokenize Status' checkbox (checked), and a 'Sezzle Customer UUID Expiration' input field with the value '2021-06-16T11:34:36Z'. The 'Customer Preferences' section includes a 'Preferred Locale' dropdown menu set to 'None' and a 'Note' text area. At the bottom right of the form are 'Apply', 'Reset', and 'Delete' buttons. A '<< Back to List' button is located at the bottom left. The footer contains copyright information for Salesforce, Inc. (© 2020), time zone details (RefArch Time Zone: Coordinated Universal Time | Instance Time Zone: Eastern Daylight Time), version information (Version: 20.6 Last Updated: Jun 2, 2020), and compatibility mode (Compatibility Mode: 18.10).
